

A C-B a la SPIRITE CORSET SALE

Do You Know What It Means?

It means this—that you get what we believe to be the best Corset on the American Market today at prices way below what they have usually sold for. Compare the Sateens, Batistes or the Coutils, the bones and the steels that are put into these Corsets with those of your favorite make—better still try a pair in wear and the results will show for themselves. Then why do we cut the price? Simply that we have several styles we are to discontinue and then, too, it makes a bit of good advertising for us, besides moving them quickly. A style for every figure. Short, medium or tall, slim, medium or stout. All sizes 18 to 36.

Worse and Worse.

A convict in a German prison had been extremely refractory. One means and another had been tried, but nothing could break his spirit.

One morning the governor said to the warden:

"I say, Huber, the scoundrel is behaving worse than ever. Put him on bread and water."

"But he is already doing two fast days, sir."

"Then give him a cookery book to read. We must break his spirit somehow."—Illustrated Biss.

Breaking It Gently.

Little Marion, who had been taught to report her misdeeds promptly, came to her mother one day, sobbing most penitently.

"Mother, I—I broke a brick in the fireplace."

"Well, that is not very hard to remedy. But how on earth did you do it, my child?"

"I pounded it with father's watch."—Youth's Companion.
